CHAIRMAN SPEECH

Dear Shareholders,

I would start by welcoming all the shareholders to the 25th Annual General Meeting of Lotus Eye Hospital and Institute Limited. The Fiscal year 2021-22 has been a roller coaster year with the country witnessing Covid-19 pandemic in the first half of the fiscal year. The second half of the fiscal has been more encouraging and enhanced the prospects of growth compared to the first half.

The second wave of Covid-19 was disastrous and had affected people from different strata of society. At this point my heart reaches to all those shareholders who lost their dear ones due to this global catastrophe. The pandemic affected every sector of the economy and service sector was no exception, as we speak today the economy has recovered substantially from the losses it had incurred during the first half of the Fiscal 2021-22 and the road ahead is positive. With the population getting vaccinated on a greater pace the people have overcome the fear of Covid-19.

The Company has showed robust resilience during these tough times due to the systems it had put in place when we were hit by the first wave of Covid-19. The contribution of Management and Co-operation of employees during these tough times played a vital role in overcoming the shortcomings we faced during the first wave of COVID-19.

I would conclude by saying that the management along with the Board of Directors have always strived to achieve excellence and contribute towards wealth creation for shareholders who have always stood as a pillar behind the growth of the company.

Dr. Kavetha Sundaramoorthy
(Chairman)

MANAGING DIRECTOR'S MESSAGE

Dear Shareholders,

I wish to start by welcoming all the shareholders to the 25th Annual General Meeting of our company. The fiscal year 2021-22 has witnessed many ups and downs in business terms. This financial year saw both macro and micro economy challenges due to Covid-19. The path of recovery may be slow but we are sure that in the long run the sustainable performance can be achieved.

The first quarter of the fiscal year 2021-22 saw the business being affected drastically due to second wave of Covid-19 pandemic. The main reason was due to businesses being shut down for prolonged time period because of lock downs imposed by the state governments in the respective states of Kerala and Tamil Nadu. The next three quarters reflect company's resilience and its ability to move forward despite the challenges.

As said by our chairman, past experience in dealing with Covid-19 has helped us equip for future adversities. The systems incorporated in place anticipating challenges in future helped company bounce back from a Net loss of Rs. 19.66 lakhs in the first quarter to Net profit of Rs. 1.25 crores and Rs 1.38 crores in second and third quarter respectively. Despite Covid-19, the total number of surgeries performed stood at 8076 in comparison to 7546 surgeries performed in the fiscal year 2020-21. This figure shows the confidence the general public has reposed on our eye care services and our group in particular.

Even though the second wave of Covid-19 had a negative impact on our business, The company did not hold back in making capital outlays. The majority of the capital expenditure during the fiscal year 2021-22 can be attributed to the shifting of our Tirupur branch to a new place with cutting edge equipment's and state of the art facilities. The company since its inception has always strived to move with the changing times. The new website will be launched in the fiscal year 2022-23. I wish to reiterate the fact that your company is debt free and your investment does not carry any risk attached to it.

In total the Fiscal year 2021-22 has been promising despite challenges and headwinds caused by Covid-19 Pandemic. We have successfully sailed through these challenging times and are all set for future challenges. Company has always channeled its efforts in the direction of achieving growth. All decisions of the company are taken keeping in mind the paramount objective of achieving growth, protecting and increasing the value of our shareholders capital.

Ms. Sangeetha Sundaramoorthy
(Managing Director)

CEO & EXECUTIVE DIRECTOR'S MESSAGE

The year 2021-2022 has been a year of consolidation and steady progress for your company. Our M.D. Miss. Sangeetha led us with foresight and determination in this effort. There was possibility & fear of another covid-19 wave initially. But vaccination, covid-19 protection measures and the fact that the latest covid-19 virus, omicron did not cause that aggressive disease, helped us to work without hesitation. Patients also started coming back to health care institutions confidently. We concentrated a lot on providing personal care to our patients. We took in new consultants for centres which needed them. Our doctors worked very hard. We initiated quality improvement efforts by encouraging doctors to conduct intra centre continuing education meetings. We added very experienced, hard working, efficient, key management personnel to our top administration. We had rented a building, newly built in Tiruppur to shift our Tiruppur centre. We created an excellent, spacious centre in that building with great ambience and modern facilities and shifted all our Tiruppur activities to that newly built building.

All the above resulted in overall good results. All the above resulted in overall good results. To our satisfaction the business and revenue of 2021-2022 was good and resulted in a significant profit. We completed the financial year 2022 on a very positive note. As you know by now the board has recommended dividend payment out of these profits. With our enthusiastic M.D at the head, helped by the new top team members, we are working hard with the realisation that there are many old and new competitors. But we have seen public placing immense faith in LOTUS in all our centres inspite of all new competitors.

We are working on popularising our brand and conveying to the public information about treatments and results through innovative digital promotion efforts. We feel that there is a significant potential for growth in patient numbers and revenue. We hope to show you improved work and improved profits in all the centres and on the whole in the group, in the months to come. We strive to achieve and maintain the following basic goal.

“To build an excellent, very trusted brand with highly talented doctors and modern equipments, offering pleasant treatment experience at the correct cost”. We are very positive that we will achieve and maintain this high goal. We will see that you, shareholders and owners of this company, are proud to be part of this company.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on 18th September 09:00 AM and ends on 21st September 05:00PM. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 15th September 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDIAN ECONOMY: 2021- 2022

Indian economy estimated to grow by 9.2 percent in real terms in 2021-22 (as per first advanced estimates) subsequent to a contraction of 7.3 percent in 2020-21. However, GDP growth at actuals for 2021-22 stood at 8.7%. The GDP is projected to grow by 8-8.5 percent in real terms in 2022-23. The Foreign Exchange Reserves crossed US\$ 600 billion in the first half of 2021-22 and touched US \$ 633.6 billion as of December 31, 2021. The government's supply side reforms are preparing economy for sustained long term expansion. The pandemic has receded and the third wave was not devastating as compared to the second wave and with the vaccination rate picking up the fear of pandemic has loosened from the minds of the population. With the economic activity picking up compared to last 2 financial years Indian economy is poised for a sustainable growth in 2022-23

Predicted future (in spite of slow down)

With the thrust being increasingly laid on Atma Nirbhar Bharat the idea is to enhance self- sufficiency. The government is investing heavily in health infrastructure subsequent to pandemic. The main area of concern is the Russia-Ukraine war which has affected the crude oil prices. India being one of the largest consumers of Crude oil in the world this can increase the Current account deficit. Inflation too is a source of concern and RBI has been hawkish in its stand when it comes to inflation targeting but still the wholesale price inflation is in double figures for the month of March 2022.

Overall the growth outlook is positive with macro-economic risks surrounding the same

Eye care 2021 – 2022

The outlook for the eye care is positive and shall witness higher growth being in service sector

Global Industry Structure and Development:

The global "vision care market size" is expected to reach USD 192.85 billion by 2026, exhibiting a CAGR of 5.6% during the forecast period. Increasing awareness regarding ocular diseases in emerging nations is expected to aid the growth of the market. The increasing adoption of vision care products will boost the vision care market growth in the forthcoming year. In addition, the growing cases of cataracts will create growth opportunities for the market. For instance, according to the World Health Organization, 51% of the world's blindness is caused by cataracts. In addition, the increasing risks of cataract incidence predominantly in developing countries will fuel demand for vision care.

Eye care products like lenses might become cheaper. With increase in life expectancy it is likely that population will have more old people. This would make it necessary to carry out more cataract and other eye treatments.

So overall, the eye care demand would grow. The profession and business of organized eye care would have a large need and necessity.

Public participated companies like ours with organized structure, delivering both basic and advanced eye care in many cities with a brand name, would help the patient very significantly and earn money for the investor very ethically.

This was the general economic, health care economic and eye care related economic scene in 2021 – 2022.

Our financial performance

Our general performance financially was better than 2020-21 in revenue and profit margin. On analysis of this we plan to concentrate on reducing the expenses and losses and improving the profitability. The most important part is that investors do not carry any risk due to non-existence of debt

Segment-wise or product-wise performance

Your Company operates in only one segment i.e. Eye Care and Related Activities.

Risk and Concerns

1. Competitors

There are large numbers of private practitioners in ophthalmology with their own ophthalmic diagnosis and treatment equipment. There are a few with small hospitals with more advanced equipment's. Apart from these there are large ophthalmic hospitals both philanthropic and run as commercial business entities.

Your company can counter this challenge by providing focused eye care delivery and by deploying the state of the art equipments backed by panel of expert doctors.

2. COVID 19

The Covid-19 infections has actually fallen with recovery rate being more than 98% the tension of escalating spread is minimized. The immunity of the population has increased as compared to the first wave as people are not getting infected that easily. The rate of vaccination also contributed in stopping the spread of infection. The fear against the virus in general has reduced.

The economic growth has accelerated as there were no lockdowns imposed by the state affecting the economic activity during the Financial year 2021-22

3. Profitable and Proficient optimal use of Latest Technologies and Trends.

The biggest task of any organization is to harness the technological advancement taking place at every nanosecond and cultivate the same in such a manner that produces profitability for the organization and maximizes the shareholders wealth simultaneously. We are aware of this and plan to improve.

4. Health Status Issues

The difference between rural and urban indicators of health status and the wide interstate disparity in health status are well known. Clearly the urban rural differentials are substantial and clearly impact the spending power and in turn the variety of high end options made available to them.

We plan to organize our centers with this fact in mind.

Future of Ophthalmology

Future of ophthalmology health care is very bright .

- Occurrence of cataract has not come down
- Diabetes is increasing
- Hypertension is increasing
- There is no major change in the mindset of young people they, would like to be lens free

The following will be our future plans

- a. Implementing innovative modes to generate revenues
- b. COVID free treatment
- c. Efficient analysis of future requirements
- d. Insistence on latest and cutting edge technology at all hospitals.

Our Edge

Our edge lies in our investment in modern equipment, and excellent experienced consultants in all our centers, presence in many districts and COVID free, personal care.

Internal control systems and their adequacy

Your company has established internal control systems to ensure optimum use in protecting its resources and ensuring adherence to its policies, procedures and statutes. There is proper and adequate system of internal control for the company and its branches. The company has appointed Internal Auditor to review the adequacy of the internal control systems, procedures and policies. The internal auditor evaluates the adequacy of the internal control systems by testing the control mechanism and gives their recommendations to the management. The Internal Auditor submits his report to the Audit Committee of the Board.

Discussion on financial performance with respect to operational performance

Financial performance with respect to operational performance has been dealt with in the Directors' Report which should be treated as forming part of this Management Discussion and Analysis Report.

Material developments in Human Resources / Industrial Relations front, including number of people employed

There were 310 numbers of permanent employees on the rolls of the Company as on 31.03.2022. During the year under review your company enjoyed cordial relationship with the employees at all levels.

Cautionary Statement

The Management Discussion and Analysis Report contains forward looking statements based upon the data available with the Company, assumptions with regard to global economic conditions, the government policies etc. Actual results might differ materially from those either expressed or implied.

Independent Auditor's Report :

To the Members of Lotus Eye Hospital and Institute Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Lotus Eye Hospital and Institute Limited (“the Company”), which comprises the balance sheet as at March 31, 2022 and the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the cash flow statement for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How the matter was addressed in our audit
Evaluation of uncertain tax positions	
<p>The Company operates in multiple jurisdictions and is subject to periodic challenges by local tax authorities on a range of tax matters during the normal course of business including direct & indirect tax matters and forum. These involve significant management judgment to determine the possible outcome of the uncertain tax positions, consequently having an impact on related accounting and disclosures in the financial statements. (Refer Note 1(B)(19) and Note 31 to the financial statements)</p>	<p>Our audit procedures include the following substantive procedures:</p> <ul style="list-style-type: none"> • Obtained understanding of key uncertain tax positions; • Read and analyzed select key correspondences including responses to the tax authorities; • Discussed with appropriate senior management and evaluated management's underlying key assumptions in estimating the tax provisions and the possible outcome of the disputed cases. <p>We agreed with the management's evaluation.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, for example, Corporate Overview, Statutory Section (such as Directors' Report to the Shareholders, Corporate Governance Report and Business Review (such as Management Discussion and Analysis) but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and the board of directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent;

and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also

(a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

(b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

(c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

(d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in; (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account;

d. In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules 2014;

e. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act;

f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting.

g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.

ii. The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

iv.(a) The Management has represented, that, to the best of its knowledge and belief no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Company.

(b) The Management has represented, that, to the best of its knowledge and belief no funds (which are material either individually or in aggregate) have been received by the Company to or in any other person or entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Company.

(c) Based on audit procedures that have been performed, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(c), as provided under (a) and (b) contain any material misstatement.

v. (a) The final dividend proposed by the company in the previous year, declared and paid by the Company in the current year is in accordance with Section 123 of the Act.

(b) The Company has not declared or paid any interim dividend during the year.

(c) The Board of Directors have proposed final dividend for the year, which is subject to the approval of the member in the Annual General Meeting. The amount of dividend proposed is in accordance with Section 123 of the Act.

Annexure "A" to the Independent Auditor Report

(Referred to in Paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report)

(i) a. (A) The Company is in the process of updating its records showing full particulars, including quantitative details and situation of Property, Plant and Equipment. However, an item wise list of Property, Plant and Equipment (including right of use asset) containing the particulars for calculation of depreciation is maintained.

(B) The Company is in the process of updating its records showing full particulars and details of intangible assets. However, an item wise list of intangible assets containing the particulars for calculation of amortization is maintained.

b. All Property, Plant and Equipment have not been physically verified by the management during the year but there is a phased program of verification based on the item wise list maintained for computation of depreciation which, in our opinion, needs to be strengthened having regard to the size of the company and nature of its assets. As explained to us, no material discrepancies were noticed on such verification. However, in the absence of complete information in fixed asset register as stated in clause (a) above, we are unable to comment on the discrepancies.

c. Based on the examination of title deeds provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.

d. The Company has not revalued any of its Property, Plant and Equipment (including right-to-use assets) and intangible assets during the year.

e. No such proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

(ii) a. As explained to us, the inventories (excluding stocks with the third parties and goods-in-transit) have been physically verified by the management during the year and there were no material discrepancies noticed on physical verification carried out during the year. In our opinion, the frequency of such verification is reasonable.

b. The Company has not been sanctioned working capital limits in excess of five crore rupees , in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

(iii) According to the information and explanations given to us, the Company has not granted and loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, reporting under clause 3(iii) of the Order is not applicable to the company.

(iv) According to the information and explanations given to us, the Company has not granted any loans, made investments, provided any guarantee or security, and hence reporting clause 3(iv) of the Order is not applicable to the company.

(v) According to the information and explanations given to us, the Company has not accepted any deposits covered under Section 73 to 76 of the Act. Accordingly, paragraph 3(v) of the Order is not applicable to the company.

(vi) We have broadly reviewed the cost records maintained by the company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under section 148(1) of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) (a) According to the information and explanations provided to us, the company has been generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, value added tax, goods and service tax, customs duty, excise duty, cess and any other material statutory dues applicable to it with the appropriate authorities.

(b) As explained to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, sales tax, service tax, value added tax, goods and service tax, customs duty, excise duty, cess and any other material statutory dues applicable to it, were outstanding, at the year end, for a period of more than six months from the date they became payable.

(c) Details of dues which have not been deposited as on March 31, 2022 on account of disputes are given below:

Name of Statute	Nature of dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount (Rs. in lakhs)
Income Tax Act, 1961	Income Tax	Commissioner of Income-tax (Appeals), Coimbatore	2016-17	55.40
Kerala Value Added Tax Act, 2003	Value Added tax	High Court of Kerala	2011-12	21.61
Kerala Value Added Tax Act, 2003	Value Added Tax	Kerala Value Added Tax Appellate tribunal	2012-13, 2013-14	7.05

(viii) According to the information and explanations given to us, there were no transactions relating to unrecorded income that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix) According to the information and explanations given to us,

- a. The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
- b. The Company has not been declared wilful defaulter by any bank or financial institution or other lender.
- c. The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.

- d. On an overall examination of the financial statements of the Company, the Company has not raised any funds on short term basis and hence, reporting under clause 3(ix)(d) of the Order is not applicable.
- e. The Company does not have any investments in subsidiaries, associates or joint ventures and hence, reporting under clause 3(ix)(e) of the Order is not applicable.
- f. The Company does not have any investments in subsidiaries, associates or joint ventures and hence, reporting under clause 3(ix)(f) of the Order is not applicable.

(x) According to the information and explanations given to us,

- a. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b. The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year and hence reporting under clause 3(x)(b) of the Order is not applicable.

- (xi) a. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- b. No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year.
- c. To the best of our knowledge and according to the information and explanations given to us, no whistle-blower complaints have been received by the company during the year and hence reporting under clause 3(xi)(c) of the Order is not applicable.

(xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the company.

(xiii) (xiii) In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.

- (xiv) a. In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b. We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with them and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the company.
- (xvi) a. In our opinion, the Company is not required to be registered under section 45- IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- b. In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) According to the information and explanations given to us, the Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The provisions of Section 135 of the Act are not applicable to the Company and hence reporting under clause 3(xx) of the Order is not applicable for the year.

(xxi) The Company is not required to prepare any consolidated financial statements and accordingly clause 3(xxi) of the Order is not applicable for the year.

Annexure “B” to the Independent Auditors’ Report:

(Referred to in paragraph 2(f) under Report on Other Legal and Regulatory Requirements” section of our report)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Lotus Eye Hospital and Institute Limited (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Lotus Eye Hospital and Institute Limited

Note 1:

A. Corporate Information

The company was incorporated as “Kalaivani Health Centre Pvt Ltd” on 14 March 1997 as a private limited company under the Companies Act, 1956. The name of the company was changed to “Lotus Eye Care Hospital Pvt Ltd” on 23 January 2001 and later on the company was converted into Public Limited Company on 16 October 2007 and subsequently the name was changed to “Lotus Eye Hospital and Institute Limited” on 12 April 2013. The Company is having registered office at Coimbatore, India. CIN of the Company is L85110TZ1997PLC007783.

The Company is engaged in the field of ophthalmology (Eye) and its related operation. The Company has seven centres at Peelamedu, R.S. Puram, Mettupalayam, Tirupur, Salem, Cochin and Mulanthurthy. The Company’s equity shares are listed from 03 August 2008 on Bombay Stock Exchange Limited and National Stock Exchange of India Ltd, Mumbai.

Application of new and revised Indian Accounting Standards

The Company has applied all the Indian Accounting Standards (hereinafter referred to as 'Ind AS') notified by the Ministry of Corporate Affairs (MCA) as amended from time to time, to the extent applicable to the Company.

B. Significant Accounting policies

1. Statement of Compliance

These financial statements (‘financial statements’) of the Company have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the ‘Ind AS’) as notified by Ministry of Corporate Affairs (‘MCA’) under Section 133 of the Companies Act, 2013 (‘the Act’) read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies during the periods presented.

2. Basis of Preparation

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. The presentation of financial statement is based on Ind AS Schedule III of the Companies Act, 2013.

The financial statements have been prepared on the historical cost basis except for the following material items in the Balance sheet.

(i) Financial assets are measured either at fair value or at amortised cost depending on their classification;

(ii) Employee defined benefit assets/ liabilities are recognised as the net total of fair value of plan assets, adjusted for actuarial gains/losses and the present value of defined benefit obligations.

(iii) Right of use assets are recognised at the present value of future lease payments and depreciated on a straight line basis based on the lease term of the asset.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116 and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 - inputs are quoted prices (unadjusted) in active markets for similar assets and liabilities that the entity can access at the measurement date.

Level 2 - inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 - inputs are unobservable inputs for the assets or liabilities.

3. Current and non-current classification

The entity presents assets and liabilities in the Balance Sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting date, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non –current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

4. Use of Estimates

The preparation of financial statements is in conformity with generally accepted accounting principles which require the management of the Company to make judgments, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future period. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Application of accounting policies that require significant accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed separately under the heading "Significant accounting judgments, estimates and assumption".

5. Segment reporting

The company is engaged in the business of Healthcare activities. Hence, there is only one reportable segment.

6. Revenue recognition

(i) Rendering of Eye care Services

Revenue from Eye care Services includes Consultancy, Physical examinations, Lab examinations, Surgeries, Nursing care, Dietary and other allied services. The revenue for these services are recognised based on the transaction value (net off discounts and waivers) when each separate performance obligation is satisfied to the extent it is probable that the economic benefit will flow to the entity. The Revenue realisable from Insurance claims are recognised at the earlier of settlement or acceptance of claim by the Insurance company.

(ii) Sale of goods

Revenue from Sale of goods include Optical sales, Pharmacy sales and Canteen sales. The revenue for these goods are recognised where the performance obligation is satisfied and the control of these goods are transferred to the customer. The revenue is stated exclusive of GST and are net of sales returns, discounts, provision for anticipated returns on expiry, made on the basis of management expectation taking into account past experience.

(iii) Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate, which is the rate that exactly discounts the estimated future cash receipts through the expected life of the financial instrument. Interest income is included in 'Other Income' in the Statement of Profit and Loss.

(iv) Rental income

The company's policy for recognising rental income is described in point 12.

7. Foreign currencies

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Transactions and balances:

1. Foreign currency transactions are recorded at exchange rates prevailing on the date of such transactions.
2. Foreign currency monetary assets and liabilities at the year end are realigned to the exchange rate prevailing at the year end and the difference on realignment is adjusted in the Profit and Loss account.

3. Non-monetary foreign currency items are carried at cost.

8. Property, Plant and Equipment (PPE)

Items of Property, plant and equipment acquired or constructed are initially recognized at historical cost net of recoverable taxes, duties, trade discounts and rebates, less accumulated depreciation and impairment loss, if any. The historical cost of Property, plant and equipment comprises of its purchase price, borrowing costs and adjustment arising for exchange rate variations attributable to the assets, including any cost directly attributable to bringing the assets to their working condition for their intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The Company identifies and determines cost of each component/part of the plant and equipment separately, if the component/part has a cost which is significant to the total cost of the plant and equipment and has useful lives that is materially different from that of the remaining plant and equipment.

The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the year in which they are incurred. Gains and losses arising from derecognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Depreciation methods, estimated useful lives and residual values
 Depreciation on Property, Plant and Equipment is provided under Written Down Value Method at the rates determined based on Useful Lives of the respective assets and the residual values in accordance with Schedule II of the Companies Act, 2013.

Estimated useful lives of the assets are as follows:

Category of asset	Useful Life (in years)
Building	
(a) Freehold	60
(b) Improvements to Leasehold Building	Useful Life or Lease term whichever is lower
Plant & Machinery	10 & 5
Surgical Equipments	13
Furnitures & Fixtures	10
Office Equipments	10 & 5
Vehicles	8
Computer & Accessories	3 & 10

9. Intangible Assets

Intangible assets are recognized only if it is probable that future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Computer software licenses are capitalized on the basis of costs incurred to acquire and bring to use the specific software. Operating software is capitalized and amortized along with the related fixed asset. The useful life of the software is estimated to be 10 years.

10. Inventories

Closing stock of Pharmacy, Canteen, Operation Theatre items, Consumables, Optical frames and lens are valued at lower of cost and net realizable value. Cost is arrived at on first in first out basis except for optical and lens. Stores & Spares which do not meet the definition of Property, Plant and Equipment are accounted as inventories.

11. Borrowing Cost

Borrowing cost attributable to the acquisition or construction of qualifying assets is capitalized as a part of such assets. All other borrowing cost is recognized as expense in the period in which they are incurred. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

12. Leases

With effect from 1st April 2019, Ind AS 116 – “Leases” supersedes Ind AS 17 – “Leases”. The Company has adopted Ind AS 116 using the prospective approach. The application of Ind AS 116 has resulted into recognition of ‘Right-of-Use’ asset with a corresponding lease liability in the balance sheet.

The company as lessor

Lease income on an operating lease is recognized in the statement of profit and loss on a straight line basis over the term of the relevant lease except to the extent that the lease payments are structured to compensate for the expected inflationary cost.

The company as lessee

The company as a lessee, recognizes a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any re-measurement of the lease liability. The right-of-use assets is depreciated using the written down value method from the commencement date over the shorter of lease term or useful life of right-of-use asset

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the lease.

13. Employee Benefits

Payments to defined contribution retirement benefit plans are recognized as an expense when employees have rendered service entitling them to the contributions.

Liabilities with regard to the Gratuity plan are determined by actuarial valuation, performed by an independent actuary, at each Balance sheet date using the projected unit credit method. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

14. Taxes on Income

i. Current Tax:

Tax on Income for the Current Period is determined on the basis of taxable income and tax credit computed in accordance with the provisions of the Income Tax Act 1961, and based on the expected outcome of assessments/ appeals.

ii. Deferred Tax:

Deferred Tax is recognized on timing difference between accounting income and the taxable income for the year quantified using the tax rates and laws enacted or substantively enacted as on the balance sheet date. Deferred Tax assets are recognized and carried forward to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Minimum Alternate Tax (“MAT”) credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in the Guidance note issued by Institute of Chartered Accountants of India (“ICAI”), the said asset is created by way of credit to Statement of Profit and Loss. The company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that company will pay normal income tax during the specified period.

15. Provisions

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value unless otherwise required by the standard and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

16. Earnings Per Share

Basic Earnings Per Share are computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. The Company did not have any potentially dilutive securities in any of the years presented.

17. Financial Instruments

Financial Assets and financial liabilities are recognized when a Company entity becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in Profit and Loss.

De-recognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS – 109. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

De-recognition of Financial Liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in the Statement of Profit and Loss.

Cash and Cash Equivalents:

The Company considers all highly liquid financial instruments which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and Cash Equivalents consist of cash on hand, balances with banks which are unrestricted for withdrawal and usage.

18. Impairment of Assets

At the Balance Sheet date an assessment is done in accordance with IND AS 36, to determine whether there is any indication of impairment in the carrying amount of the company's assets. An asset is treated impaired when carrying cost of assets exceeds its recoverable value.

An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss, if any, recognized in prior accounting period is reversed if there has been any change in the estimate of recoverable amount.

19. Contingent Liabilities

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made.

Contingent liabilities, which are considered significant and material by the Company, but not provided for in the books of accounts, are disclosed by way of notes to accounts.

The Company has ongoing disputes with tax authorities and forum mainly relating to treatment of characterization and classification of certain items. The Company has demands amounting to Rs. 89.56 Lakhs and Rs. 89.56 Lakhs as at March 31, 2021 and 2020, respectively from various tax authorities and forum which are being contested by the Company based on the management evaluation and on the advice of tax consultants.

C. Significant Accounting Judgements, Estimates And Assumptions

The preparation of these financial statements in conformity with recognition and measurement principles of Ind AS requires the Management of the Company to make estimates and assumptions that affect the reported balances of Assets and Liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amount of income and expenses for the periods presented.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

1. Fair value measurements and valuation processes

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. The business acquisitions made by the company are also accounted at fair values. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available.

2. Employee Benefits

Defined Benefit Plans

The cost of defined benefit plans are determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, expected rates of return on assets, future salary increases, mortality rates and future pension increases.

3. Litigations

The amount recognized as a provision shall be the best estimate of the expenditure required to settle the present obligation arising at the reporting period.

4. Revenue Recognition

Revenue from fees charged for services rendered to insured and corporate patients are subject to approvals from the insurance companies and corporates. Accordingly, the Company estimates the amounts likely to be disregarded by such companies based on past trends. Estimations based on past trends are also required in determining the value of consideration from customers to be allocated to award credits for customers.

5. Expected Credit Loss

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix considering the nature of receivables and the risk characteristics. The provision matrix takes into accounts historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the day of the receivables are due and the rates as given in the provision matrix.

The Company operates post-employment defined benefit plan that provide gratuity. The gratuity plan entitles an employee, who has rendered at least five years of continuous service, to receive one-half month's salary for each year of completed service at the time of retirement/exit. The Company's obligation in respect of the gratuity plan, which is a defined benefit plan, is provided for based on actuarial valuation carried out by an independent actuary using the projected unit credit method. The Company recognizes actuarial gains and losses immediately in the statement of profit and loss. The Company accrues gratuity as per the provisions of the Payment of Gratuity Act, 1972 as applicable as at the balance sheet date.

The company contributes all ascertained liabilities towards gratuity to the Fund. The plan assets have been invested 100% in insurer managed funds. The company provides for gratuity, a defined benefit retiring plan covering eligible employees. The Gratuity plan provides a lump sum payment to the vested employees at retirement, death, incapacitation or termination of employment based on the respective employees salary and tenure of the employment with the company.

Disclosures of Defined Benefit Plans based on actuarial valuation reports

The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

Investment risk

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. Plan investment is a mix of investments in government securities, and other debt instruments.

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.
